Sample entry : 02.04.2024

Entrance temperature : Room temperature

Sample taken : by sender

Begin/end of analysis : 02.04.2024 / 10.04.2024

The results are only based on the items tested. GBA takes no responsibility for the validity of the sampling if the samples are neither taken by GBA nor on behalf of GBA. In such cases, the results refer to the sample as it is received. The GBA test report may not be published without the express written consent of the GBA Group, nor may excerpts of it be reproduced without permission. GBA decision rules can be seen in the general terms and conditions.
